MONTH CLUB

(You must be at least 21 years of age to join)

Sample Our Newest Finds!

The Wine Shop at *Good to Go by Lucrezia* will be looking for the highest quality, best wine values available. Sometimes they have been scored 85 or higher by the Wine Spectator, Wine Enthusiast, Wine Advocate or Robert Parker. As we have learned from history, there are many great vineyards that never send their wine in for scoring. However, all of the wines we select have been sampled and approved by our tasting panel!

The Wine Shop at *Good to Go by Lucrezia* has selected unique wines for you!

Our Club members have three choices:

CHOICE A: This selection will generally be one white and one red wine each month with occasional forays into interesting rosé and sparkling wines that you may not have tried before.... **\$35.00**

CHOICE B: This selection is designed for the individual who can't seem to put their arms around white wine and has to pair every entrée with a red wine. This option provides two different interesting red wines each month.... **\$40.00**

Exclusive RED VIP: This selection is designed as **one** bottle of **red wine** each month. This choice is for the member who is seeking a more complex red wine. This elegant selection is sure to please the most discriminating palate... **\$50.00**

Your wine will be ready to pick up at *Good to Go by Lucrezia* on or about the **20th of every month after 2:00 pm**. You will receive a confirmation email with tasting notes and information about the wine of the month.

When you pick up your wine **within 10 days** of release... Please enjoy a **once a month *20%** off discount on the day you pick up your wine. (**Note: The discount is not valid on Alcohol, bread, box lunches, platters, catering, sale items or any in-house dining at Valparaiso location.
